

camp philosophy:

Welcome! It is with great excitement that we invite you to participate in the 16th Annual Matt Bullard Basketball Camp. Our commitment to conducting the best fundamental basketball camp is second only to having as much fun as possible. Becoming a Player is hard work, but we believe the game should always remain fun!

Fundamentals, sportsmanship, teamwork, work ethic, discipline and good listening skills are all components of becoming a Player. We focus on these areas significantly as we proceed through the week together. Daily full-court games and contests add excitement to the atmosphere, build confidence and help instill the love of competition.

Players excel during the season, but are developed during the summer. Come join us as we help you to strive to be the best person and Player you can be!
